Dear Mr. Mangum:

Re: Water Sampling Data, Co-Op Mining Company, Bear Canyon Mine,
ACT/015/025, Folder #2, Emery County, Utah

Co-Op Mining Company (Co-Op) was issued a Notice of Violation (NOV) Number N-88-20-1-1 on February 9, 1988, regarding failure to monitor in accordance with an approved plan.

Recent inspections have been frustrated by the failure of Co-Op to have water monitoring data available for review, therefore the Division requests that Co-Op submit all water quality data collected since February on all surface and groundwater sites.

Please assure that the data is received at the Division no later than August 22, 1988. Thank you for your efforts in this regard. If you have any questions, please feel free to call Tom Munson or myself.

Sincerely,

John J. Whitehead
Permit Supervisor/
Reclamation Hydrologist
